**More phone numbers:** <https://tel.meet/ayo-rcjh-fob?pin=1591609623596>

The project includes the following Work:

The Town of Taos is soliciting bids for the installation of temporary and permanent water and wastewater utilities at the Taos Regional Airport. The need for temporary utilities for operational and safety purposes will be determined at the start of construction. The project will consist of the construction and installation of the following components:

- Drinking water utilities:
  - 8-inch distribution waterline serving facilities at the Airport, including all valves, and fittings.
  - New fire hydrants
  - Service line to yard hydrant
- Wastewater utilities:
  - Duplex pump lift stations at each of the on-site facilities requiring service connections
  - High-density polyethylene (HDPE) low pressure sewer line
  - 2,500-gallon septic tank and duplex leach field dosing pumps
  - Subsurface disposal field for treated effluent
  - New security fencing around leach field and septic tank

The selected Contractor shall furnish the labor, materials, supplies, and equipment required to complete the project. To be considered for this work, bidders must have current New Mexico Business licenses, and must also have the appropriate General Contractor license required by the State.

The Contractor shall have prior experience in the construction of at least three projects of similar scope and construction methods each, within the past three years.

Prospective bidders shall provide evidence of the above requirements in the form of reference projects at the time of receipt of bids. A reference form is provided in the Bid Documents and shall be submitted by prospective bidders at the time of bidding. Failure to provide references may result in bidders being deemed non-responsive. The Owner may contact references to verify experience and quality of work, and may make other such investigations as necessary to determine the qualifications of prospective bidders. The Project has an expected duration of 270 days.

Information, Bidding Documents and Amendments for the Project can be accessed at the following URL: <https://taosnm.cobblestone.software/Gateway/SolicitationPublicSearch.aspx>

To submit bids and receive amendments to this request, if applicable, Bidders must register with Bonfire at: The following link provides instructions for Bonfire's vendor registration All official notifications, addenda, and other Bidding Documents will be offered only through the Town's online procurement portal. Neither Owner nor Engineer will be responsible for Bidding Documents, including addenda, if any, obtained from sources other than the designated issuing office.

### **Pre-Bid Conference**

A mandatory pre-bid conference for the Project will be held at the Taos Regional Airport, 24662 US-64, El Prado, NM 87529 on **June 16, 2025 at 2:00 p.m.** Every entity or firm that has requested a bid package will be invited by email to attend the meeting. An engineer and Town official will conduct the meeting at the site and answer questions. Bids will not be accepted from Bidders that do not attend the mandatory pre-bid conference.

### **Instructions to Bidders**

For all further requirements regarding bid submittal, qualifications, procedures, and contract award, refer to the Instructions to Bidders that are included in the Bidding Documents.

By Order of the Governing Body

Town of Taos
